

SUBJECT: NEWLY REVISED CODE BOOK ADOPTION

REQUESTED BY: Kristie VanGorder, City Clerk *KV*

PREPARED BY: Kristie VanGorder, City Clerk

DATE: December 4, 2000

FOR AGENDA OF: ~~December 11, 2000~~ *Jan. 8, 2001*

SUMMARY:

Proposed Ordinance Serial No. 01-01, Adopting the Wasilla Municipal Code 2000, is attached for your consideration.

I have worked with our attorney, Tom Klinkner, to prepare the ordinance which will repeal the existing red code book and enact the new gray code book.

A comparison of the two code books is currently underway by myself, which should be completed by December 11, 2000, the date that the ordinance will be scheduled for introduction. In the upcoming months, I expect that staff will bring several items forward for amendment. It is surprising to me how many sections of the code, which we refer to each day, look different and errors are brought to your attention when the code is in an easier readable format.

I am excited about the adoption of the new code and feel that it is very appropriate that the new code will be adopted as the first ordinance in the new millennium.

FISCAL IMPACT: No Yes, amount requested: \$ Fund:

CLERK'S RECOMMENDED ACTION: Introduce and set for public hearing.
