DATE: April 6, 2001

FOR AGENDA OF: April 23, 2001

SUMMARY:

Ordinance Serial No. 01-24 is being submitted for the purpose of acquiring additional PBT's (preliminary breath testers). I also need to balance the asset forfeiture expense account. Additionally, I propose to use some of these funds for purchasing ammo for department qualifications and reserve training. \$4,263 would be used to cover account no. 01.52.421.856.10, which ran into the red when we purchased our canine. This is an effort on my part of always try and use non-city funds for the canine program. Asset Forfeiture funds are restricted as to use by Federal Law and the proposed expenditures are allowable.

FISCAL IMPACT: ___ No Yes, amount requested: \$12,629 from Fund: 01.421.3502, Asset Forfeited Expenses.
