SUMMARY STATEMENT:

Pursuant to WMC 2.08.090.D, Revisor of ordinances, the following revisor of ordinance is being reported to the City Council. The corrections were made in the October 2005 Code Supplement.

Ordinance Serial No. 05-52, amended 3.55.100.E, Shift Differential, however, a typographical error was made in Section 2 of the Ordinance, which stated that the Ordinance was amending 3.55.100.D (not E).

WMC 6.12.020.A.4, Appeal, reads as follows: Appeal. A decision of the planner may be appealed pursuant to Section 16.34[08.100]... The appeal process is found in WMC 16.34, not 16.08.100. (Note: bold and underline is language added; CAPS and bracket is language deleted.)
