Ms. Kristie L. Smithers
City Clerk
290 East Herning Avenue
Wasilla, Alaska 99654-7091

Dear Ms. Smithers:

This refers to the annexation (Ordinance No. 01-13) to the City of Wasilla in the Matanuska-Susitna Borough, Alaska, submitted to the Attorney General pursuant to Section 5 of the Voting Rights Act, 42 U.S.C. 1973c. We received your submission on April 1, 2002.

The Attorney General does not interpose any objection to the specified change. However, we note that Section 5 expressly provides that the failure of the Attorney General to object does not bar subsequent litigation to enjoin the enforcement of the change. See the Procedures for the Administration of Section 5 (28 C.F.R. 51.41).

Sincerely,

For Joseph D. Rich
Chief, Voting Section

RE: 2001 ANNEXATION REQUEST FOR CITY OF WASILLA

Dear Mr. Kane:

Attached is a copy of Ordinance Serial No. 01-13 that was passed by the Wasilla City Council on April 9, 2001, annexation petitions, comprehensive plans and the comprehensive annual financial report.

I respectfully request the Local Boundary Commission consider relaxing the rules for annexation in accordance with Alaska Administrative Code 19 AAC 10.660. The reasons for this request are as follows:

- The properties to be annexed have been voluntarily proposed by the property owners.
- The Wasilla City Council & Wasilla Planning Commission support the proposed annexation.
- An expedient procedure will save time and money for all parties involved.
- The City shall take it upon it self to provide and meet the minimum public advertising requirements.

Please, consider measures that could allow an expedited process for this annexation request, such as perhaps deleting the requirement of a draft report. If you have any questions, please contact Tim Krug, City Planner at (907) 373-9052.

Sincerely,

Sarah Palin, Mayor

**PETITION FOR ANNEXATION TO
THE CITY OF WASILLA WITH UNANIMOUS CONSENT BY ALL PROPERTY
OWNERS AND RESIDENT VOTERS**

To: THE STATE OF ALASKA, LOCAL BOUNDARY COMMISSION:

The petitioner seeks annexation of the territory described herein under the provisions of AS 29.06.040(c)(3), 3 AAC 110.090 - 3 AAC 110.130, 3 AAC 110.150(b), 3 AAC 110.400 - 3 AAC 110.590, 3 AAC 110.620 - 3 AAC 110.660 and 3 AAC 110.900 - 3 AAC 110.990. All exhibits attached to this petition are incorporated by reference.

Section 1. PETITIONER. The name and class of the city petitioning for annexation are listed below:

Name City of Wasilla (hereafter "City").

Class: First.

Section 2. GENERAL DESCRIPTION OF THE TERRITORY PROPOSED FOR ANNEXATION. The territory proposed for annexation is generally described as follows:

This annexation petition consists of seven separate territories:

Annexation Territory C1-A (CAREFREE) contains 22.86 acres is contiguous to the east boundary of the city situated at the intersection of the Parks Highway and Seward Meridian Parkway. Annexation Territory C1-B (WAIVERHILL/LAKEBROOK) contains 36.13 acres is situated near the intersection of the Parks Highway and Palmer Wasilla Highway. Annexation Territory C1-C (SILVERLEAF) contains 114.00 acres at the northwest corner of the city at the intersection. Annexation Territory C1-D (OLSON) contains 4.72 acres is situated near the intersection of the Parks Highway and Palmer Wasilla Highway. Annexation Territory C1-E (AIRPORT SOUTH) contains 89.09 acres is situated south of the Wasilla Airport. Annexation Territory C1-F (AIRPORT NORTH) contains 7.35 acres is situated north of the Wasilla Airport along the Parks Highway. Annexation Territory C1-G (HAPPY MOUNTAIN) contains 39.69 acres is situated in southeast corner of the city adjacent to Happy Mountain Estates.

Section 3. REASONS FOR ANNEXATION. A statement explaining why:

- the property owner(s) and voters residing within the area wish to have the territory annexed to the City; and
- the City wishes to have the territory annexed to the City.

A concise statement of the reasons that the City wishes to annex the territory is provided as **Exhibit A**.

The City of Wasilla wishes to seek relaxation of regulations as allowed by 3 AAC 110.660 and requests to expedite the annexation process and reduce costs associated with annexation.

Section 4. LEGAL DESCRIPTION OF THE TERRITORY PROPOSED FOR ANNEXATION. A written legal description of the territory proposed for annexation is presented in **Exhibit B-1**.

Section 5. LEGAL DESCRIPTION OF POST-ANNEXATION BOUNDARIES. A written legal description of the boundaries of the City should the annexation be approved is provided in **Exhibit B-2**.

Section 6. MAPS AND PLATS. A map showing the current boundaries of the City and the territory proposed for annexation, and plats and other documents necessary to demonstrate the accuracy of the written legal description of the territory proposed for annexation are presented in **Exhibit C-1, Exhibit C-2, and Exhibit C-3**.

Section 7. SIZE. The territory proposed for annexation is estimated to encompass 312.85 acres or .48 square miles more or less.

Section 8. PETITIONER'S REPRESENTATIVE. The City designates the following individual to serve as its representative in matters concerning this annexation proposal:

Name: Sarah Palin, Mayor
Mailing Address: 290 E. Herning Ave.
Wasilla, AK 99654-7091
Telephone # (907) 373-9055
Fax # (907) 373-9096
E-mail address: sarah@ci.wasilla.ak.us

Section 9. POPULATION. The population within the current boundaries of the City is 5,568. The population of the territory proposed for annexation is estimated to be 3 registered voters (there is another house but they're no registered voters).

Section 10. INFORMATION RELATING TO PUBLIC NOTICE. Exhibit D offers information relevant to providing public notice of the annexation proceedings. This includes information about local media, adjacent municipal governments, places for posting notice, location where the petition may be reviewed and parties who, because of their interest in this matter, may warrant individual notice of the annexation proceedings.

Section 11. CITY TAXES. The type and rate of each tax currently levied by the City is listed below:

TAX TYPE	TAX RATE

A map or maps showing the boundaries of all Borough service areas located wholly or partially within the territory proposed for annexation is included with **Exhibit E**

Section 20. EXTRATERRITORIAL POWERS. The City currently exercises the following powers within the territory proposed for annexation under authority of AS 29.35.020.

None

Section 21. BONDED INDEBTEDNESS. The following is a summary of the current bonded indebtedness of the City.

<u>Bond Issue</u>	<u>Principal Amount</u>	<u>Annual Payment</u>	<u>Date When Fully Paid</u>
-------------------	-------------------------	-----------------------	-----------------------------

See attached Comprehensive Annual Financial Report

Section 22. TRANSITION PLAN. Exhibit E consists of a practical plan demonstrating:

- A. The intent and capability of the City to extend essential city services [as defined by 3 AAC 110.990(a)(8)] into the territory proposed for annexation in the shortest practical time following annexation (not to exceed two years).
- B. The manner in which the City will assume all relevant and appropriate powers, duties, rights, and functions presently exercised within the territory proposed for annexation.
- C. Demonstrates the manner in which the City will assume and integrate all relevant and appropriate assets and liabilities of the Borough relating to the territory proposed for annexation without loss of value in assets, loss of credit reputation, or a reduced bond rating for liabilities.
- D. That the plan was prepared in consultation with the borough and other entities currently responsible for or otherwise providing those services to the territory that will be assumed by the City.
- E. Demonstrates the manner in which the City will assume all relevant and appropriate powers, duties, rights, and functions presently exercised by the Borough in the territory proposed for annexation.

Section 23. FEDERAL VOTING RIGHTS ACT INFORMATION. Information relevant to the federal Voting Rights Act, which is applicable to any annexation, is provided in **Exhibit F**. This information includes the following:

1. Purpose and effect of annexation as it pertains to voting.
2. Extent to which the annexation excludes minorities while including other similarly situated persons.
3. Extent to which annexation reduces the City's minority population percentage.
4. Whether the electoral system of the City fails fairly to reflect minority-voting strength.
5. Participation by minorities in the development of the annexation proposal.
6. Designation of Alaska Native for U.S. Department of Justice contact.
7. Statement concerning the minorities' understanding of English in written and spoken forms.

Section 24. BRIEF. Exhibit G contains a written statement fully explaining how the proposed annexation satisfies the standards set out in AS 29.06.040(a), 3 AAC 110.090 - 3 AAC 110.130, 3 AAC 110.150(2) and 3 AAC 110.900 - 3 AAC 110.910. The brief demonstrates that:

- All voters and property owners of the territory proposed for annexation signed a petition requesting annexation of the territory to the city. The brief describes circumstances relating to the development and submission of the petition to the City from such voters and property owners and provides a copy of the petition to the City from such voters and property owners.
- The territory proposed for annexation exhibits a reasonable need for city government as required by 3 AAC 110.090(a).
- The City is capable of providing "essential city services" (as defined by 3 AAC 110.990(8)) more efficiently and more effectively to the territory proposed for annexation than another existing city or organized borough as required by 3 AAC 110.090(b).
- The territory proposed for annexation is compatible in character with the area inside the current boundaries of the City as required by 3 AAC 110.100.
- The area within the proposed post-annexation boundaries of the City (i.e., the territory proposed for annexation and the area within the existing boundaries of the City) includes the human and financial resources needed to provide essential city services on an efficient, cost-effective level as required by 3 AAC 110.110.

- The population within the proposed post-annexation boundaries of the City is sufficiently large and stable to support the extension of city government as required by 3 AAC 110.120.
- The proposed post-annexation boundaries of the City encompass all land and water necessary to provide the full development of essential city services on an efficient, cost-effective level as required by 3 AAC 110.130(a).
- The territory proposed for annexation is contiguous to the City's present corporate boundaries as required by AS 29.06.040(c)(3) and presumed by 3 AAC 110.130(b).
- The proposed post-annexation boundaries of the City include only that area comprising the local community plus reasonably predictable growth, development, and public safety needs during the 10 years following the effective date of annexation as required by 3 AAC 110.130(c).
- As required by 3 AAC 110.130(d), the proposed post-annexation boundaries of the City exclude entire geographical regions or large unpopulated areas, except where justified by the application of the city annexation standards in 3 AAC 110.090 - 3 AAC 110.130.
- The territory proposed for annexation does not overlap the boundaries of any other City. Alternatively, the brief also addresses that circumstance as required by 3 AAC 110.130(e).
- The proposed annexation to the City will not deny any person the enjoyment of any civil or political right, including voting rights, because of race, color, creed, sex, or national origin in accordance with 3 AAC 110.910.
- The City demonstrates in its transition plan:
 - ◆ Its intent and capability to extend essential city services [as defined by 3 AAC 110.990(a)(8)] into the territory proposed for annexation in the shortest practical time following annexation (not to exceed two years).
 - ◆ The manner in which the City will assume all relevant and appropriate powers, duties, rights, and functions presently exercised by any existing entity within the territory proposed for annexation.
 - ◆ The manner in which the City will assume and integrate all relevant and appropriate assets and liabilities of existing entities providing services to the territory that will be assumed by the City. Such assumption and integration must occur without loss of value in assets, loss of credit reputation, or a reduced bond rating for liabilities.
 - ◆ The manner in which all taxes will be implemented.

- ◆ That the plan was prepared in consultation with entities currently responsible for or otherwise providing those services to the territory that will be assumed by the City.

- That the proposed annexation is good public policy; that it is in the best interests of the State.

All assertions in the brief are supported with detailed facts.

Section 25. AUTHORIZATION. A certified copy of the ordinance adopted by the City Council to authorize the filing of this petition is provided as **Exhibit H**.

Section 26. PETITION INFORMATION & ACCURACY. An affidavit of the petitioner's representative affirming that the information in the petition is true and accurate is provided in **Exhibit I**.

DATED this 10th day of April, 2001.

ARTICLE X
TRUSTEE AND CUSTODIAN, POWERS AND DUTIES

10.01 ACCEPTANCE. The Trustee accepts the Trust created under the Plan and agrees to perform the obligations imposed. The Trustee must provide bond for the faithful performance of its duties under the Trust to the extent required by ERISA.

10.02 RECEIPT OF CONTRIBUTIONS. The Trustee is accountable to the Employer for the funds contributed to it by the Employer, but does not have any duty to see that the contributions received comply with the provisions of the Plan. The Trustee is not obliged to collect any contributions from the Employer, nor is obliged to see that funds deposited with it are deposited according to the provisions of the Plan.

10.03 INVESTMENT POWERS.

[A] **Discretionary Trustee Designation.** If the Employer, in Adoption Agreement Section 1.02, designates the Trustee to administer the Trust as a discretionary Trustee, then the Trustee has full discretion and authority with regard to the investment of the Trust Fund, except with respect to a Plan asset under the control or direction of a properly appointed Investment Manager or with respect to a Plan asset properly subject to Employer, Participant or Advisory Committee direction of investment. The Trustee must coordinate its investment policy with Plan financial needs as communicated to it by the Advisory Committee. The Trustee is authorized and empowered, but not by way of limitation, with the following powers, rights and duties:

(a) To invest any part or all of the Trust Fund in any common or preferred stocks, open-end or closed-end mutual funds, put and call options traded on a national exchange, United States retirement plan bonds, corporate bonds, debentures, convertible debentures, commercial paper, U.S. Treasury bills, U.S. Treasury notes and other direct or indirect obligations of the United States Government or its agencies, improved or unimproved real estate situated in the United States, limited partnerships, insurance contracts of any type, mortgages, notes or other property of any kind, real or personal, to buy or sell options on common stock on a nationally recognized exchange with or without holding the underlying common stock, to buy and sell commodities, commodity options and contracts for the future delivery of commodities, and to make any other investments the Trustee deems appropriate, as a prudent man would do under like circumstances with due regard for the purposes of this Plan. Any investment made or retained by the Trustee in good faith is proper but must be of a kind constituting a diversification considered by law suitable for trust investments.

(b) To retain in cash so much of the Trust Fund as it may deem advisable to satisfy liquidity needs of the Plan and to deposit any cash held in the Trust Fund in a bank account at reasonable interest.

(c) To invest, if the Trustee is a bank or similar financial institution supervised by the United States or by a State, in any type of deposit of the Trustee (or of a bank related to the Trustee within the meaning of Code §414(b)) at a reasonable rate of interest or in a common trust fund, as described in Code §584, or in a collective investment fund, the provisions of which govern the investment of such assets and which the Plan incorporates by this reference, which the Trustee (or its affiliate, as defined in Code §1504) maintains exclusively for the collective investment of money contributed by the bank (or the affiliate) in its capacity as trustee and which conforms to the rules of the Comptroller of the Currency.

(d) To manage, sell, contract to sell, grant options to purchase, convey, exchange, transfer, abandon, improve, repair, insure, lease for any term even though commencing in the future or extending beyond the term of the Trust, and otherwise deal with all property, real or personal, in such manner, for such considerations and on such terms and conditions as the Trustee decides.

(e) To credit and distribute the Trust as directed by the Advisory Committee. The Trustee is not obliged to inquire as to whether any payee or distributee is entitled to any payment or whether the distribution is proper or within the terms of the Plan, or as to the manner of making any payment or distribution. The Trustee is accountable only to the Advisory Committee for any payment or distribution made by it in good faith on the order or direction of the Advisory Committee.

(f) To borrow money, to assume indebtedness, extend mortgages and encumber by mortgage or pledge.

(g) To compromise, contest, arbitrate or abandon claims and demands, in its discretion.

(h) To have with respect to the Trust all of the rights of an individual owner, including the power to give proxies, to participate in any voting trusts, mergers, consolidations or liquidations, and to exercise or sell stock subscriptions or conversion rights.

(i) To lease for oil, gas and other mineral purposes and to create mineral severances by grant or reservation; to pool or unitize interests in oil, gas and other minerals; and to enter into operating agreements and to execute division and transfer orders.

(j) To hold any securities or other property in the name of the Trustee or its nominee, with depositories or agent depositories or in another form as it may deem best, with or without disclosing the trust relationship.

(k) To perform any and all other acts in its judgment necessary or appropriate for the proper and advantageous management, investment and distribution of the Trust.

(l) To retain any funds or property subject to any dispute without liability for the payment of interest, and to decline to make payment or delivery of the funds or property until final adjudication is made by a court of competent jurisdiction.

(m) To file all tax returns required of the Trustee.

(n) To furnish to the Employer, the Plan Administrator and the Advisory Committee an annual statement of account showing the condition of the Trust Fund and all investments, receipts, disbursements and other transactions effected by the Trustee during the Plan Year covered by the statement and also stating the assets of the Trust held at the end of the Plan Year, which accounts are conclusive on all persons, including the Employer, the Plan Administrator and the Advisory Committee, except as to any act or transaction concerning which the Employer, the Plan Administrator or the Advisory Committee files with the Trustee written exceptions or objections within 90 days after the receipt of the accounts or for which ERISA authorizes a longer period within which to object.

(o) To begin, maintain or defend any litigation necessary in connection with the administration of the Plan, except that the Trustee is not obliged or required to do so unless indemnified to its satisfaction.

[B] Nondiscretionary Trustee Designation/Appointment of Custodian. If the Employer, in its Adoption Agreement Section 1.02, designates the Trustee to administer the Trust as a nondiscretionary Trustee, then the Trustee will not have any discretion or authority with regard to the investment of the Trust Fund, but must act solely as a directed trustee of the funds contributed to it. A nondiscretionary Trustee, as directed trustee of the funds held by it under the Employer's Plan, is authorized and empowered, by way of limitation, with the following powers, rights and duties, each of which the nondiscretionary Trustee exercises solely as directed trustee in accordance with the written direction of the Named Fiduciary (except to the extent a Plan asset is subject to the control and management of a properly appointed Investment Manager or subject to Advisory Committee or Participant direction of investment):

- (a) To invest any part or all of the Trust Fund in any common or preferred stocks, open-end or closed-end mutual funds, put and call options traded on a national exchange, United States retirement plan bonds, corporate bonds, debentures, convertible debentures, commercial paper, U.S. Treasury bills, U.S. Treasury notes and other direct or indirect obligations of the United States Government or its agencies, improved or unimproved real estate situated in the United States, limited partnerships, insurance contracts of any type, mortgages, notes or other property of any kind, real or personal, to buy or sell options on common stock on a nationally recognized options exchange with or without holding the underlying common stock, to buy and sell commodities, commodity options and contracts for the future delivery of commodities, and to make any other investments the Named Fiduciary deems appropriate.
- (b) To retain in cash so much of the Trust Fund as the Named Fiduciary may direct in writing to satisfy liquidity needs of the Plan and to deposit any cash held in the Trust Fund in a bank account at reasonable interest, including specific authority to invest in any type of deposit of the Trustee (or of a bank related to the Trustee within the meaning of Code §414(b)) at a reasonable rate of interest.
- (c) To sell, contract to sell, grant options to purchase, convey, exchange, transfer, abandon, improve, repair, insure, lease for any term even though commencing in the future or extending beyond the term of the Trust, and otherwise deal with all property, real or personal, in such manner, for such considerations and on such terms and conditions as the Named Fiduciary directs in writing.
- (d) To credit and distribute the Trust as directed by the Advisory Committee. The Trustee is not obliged to inquire as to whether any payee or distributee is entitled to any payment or whether the distribution is proper or within the terms of the Plan, or as to the manner of making any payment or distribution. The Trustee is accountable only to the Advisory Committee for any payment or distribution made by it in good faith on the order or direction of the Advisory Committee.
- (e) To borrow money, to assume indebtedness, extend mortgages and encumber by mortgage or pledge.
- (f) To have with respect to the Trust all of the rights of an individual owner, including the power to give proxies, to participate in any voting trusts, mergers, consolidations or liquidations, and to exercise or sell stock subscriptions or conversion rights, provided the exercise of any such powers is in accordance with and at the written direction of the Named Fiduciary.
- (g) To lease for oil, gas and other mineral purposes and to create mineral severances by grant or reservation; to pool or unitize interests in oil, gas and other minerals; and to enter into operating agreements and to execute division and transfer orders, provided the exercise

of any such powers is in accordance with and at the written direction of the Named Fiduciary.

(h) To hold any securities or other property in the name of the nondiscretionary Trustee or its nominee, with depositories or agent depositories or in another form as the Named Fiduciary may deem best, with or without disclosing the custodial relationship.

(i) To retain any funds or property subject to any dispute without liability for the payment of interest, and to decline to make payment or delivery of the funds or property until a court of competent jurisdiction makes final adjudication.

(j) To file all tax returns required of the Trustee.

(k) To furnish to the Named Fiduciary, the Employer, the Plan Administrator and the Advisory Committee an annual statement of account showing the condition of the Trust Fund and all investments, receipts, disbursements and other transactions effected by the nondiscretionary Trustee during the Plan Year covered by the statement and also stating the assets of the Trust held at the end of the Plan Year, which accounts are conclusive on all persons, including the Named Fiduciary, the Employer, the Plan Administrator and the Advisory Committee, except as to any act or transaction concerning which the Named Fiduciary, the Employer, the Plan Administrator or the Advisory Committee files with the nondiscretionary Trustee written exceptions or objections within 90 days after the receipt of the accounts or for which ERISA authorizes a longer period within which to object.

(l) To begin, maintain or defend any litigation necessary in connection with the administration of the Plan, except that the Trustee is not obliged or required to do so unless indemnified to its satisfaction.

Appointment of Custodian. The Employer may appoint a Custodian under the Plan, the acceptance by the Custodian indicated on the execution page of the Employer's Adoption Agreement. If the Employer appoints a Custodian, the Employer's Plan must have a discretionary Trustee, as described in Section 10.03[A]. A Custodian has the same powers, rights and duties as a nondiscretionary Trustee, as described in this Section 10.03[B]. The Custodian accepts the terms of the Plan and Trust by executing the Employer's Adoption Agreement. Any reference in the Plan to a Trustee also is a reference to a Custodian where the context of the Plan dictates. A limitation of the Trustee's liability by Plan provision also acts as a limitation of the Custodian's liability. Any action taken by the Custodian at the discretionary Trustee's direction satisfies any provision in the Plan referring to the Trustee's taking that action.

Modification of Powers/Limited Responsibility. The Employer and the Custodian or nondiscretionary Trustee, by letter agreement, may limit the powers of the Custodian or nondiscretionary Trustee to any combination of powers listed within this Section 10.03[B]. If there is a Custodian or a nondiscretionary Trustee under the Employer's Plan, then the Employer, in adopting this Plan acknowledges the Custodian or nondiscretionary Trustee has no discretion with respect to the investment or re-investment of the Trust Fund and that the Custodian or nondiscretionary Trustee is acting solely as custodian or as directed trustee with respect to the assets comprising the Trust Fund.

[C] Limitation of Powers of Certain Custodians. If a Custodian is a bank which, under its governing state law, does not possess trust powers, then paragraphs (a), (c), (e), (f), (g) of Section 10.03[B], Section 10.16 and Article XI do not apply to that bank and that bank only has the power and authority to exercise the remaining powers, rights and duties under Section 10.03[B].

The Trustee (and Custodian, if applicable), by executing this Adoption Agreement, accepts its position and agrees to all of the obligations, responsibilities and duties imposed upon the Trustee (or Custodian) under the Prototype Plan and Trust. The Employer hereby agrees to the provisions of this Plan and Trust, and in witness of its agreement, the Employer by its duly authorized officers, has executed this Adoption Agreement, and the Trustee (and Custodian, if applicable) signified its acceptance, on this 31st day of October, 1991.

Name and EIN of Employer: Baugh Construction & Engineering Company 92-0038634

Signed: _____

Name(s) of Trustee: Gary Baugh and Carol Allison

Signed: _____

Name of Custodian: N/A

[Note: A Trustee is mandatory, but a Custodian is optional. See Section 10.03 of the Plan.]

Plan Number. The 3-digit plan number the Employer assigns to this Plan for ERISA reporting purposes (Form 5500 Series) is: 001.

Use of Adoption Agreement. Failure to complete properly the elections in this Adoption Agreement may result in disqualification of the Employer's Plan. The 3-digit number assigned to this Adoption Agreement (see page 1) is solely for the Regional Prototype Plan Sponsor's recordkeeping purposes and does not necessarily correspond to the plan number the Employer designated in the prior paragraph.

Reliance on Notification Letter. The Employer may not rely on the Regional Prototype Plan Sponsor's notification letter covering this Adoption Agreement. For reliance on the Plan's qualification, the Employer must obtain a determination letter from the applicable IRS Key District office.

WASILLA LAKE CHURCH OF THE NAZARENE BOARD MINUTES , 2/21/99

Pastor Golden called for a short board meeting after the Sunday evening service.

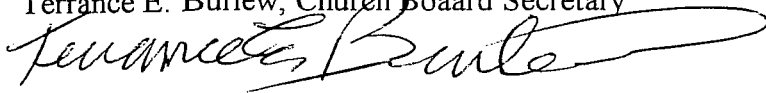

meeting called to order at 7:45 PM.

Members Present: Keith Wright, Patti Peppard, Donna Rhett, Robert Faulkner, Kathy Faulkner, Pam Hackett, Terry Burlew, Dave Carley, and Pastor Golden.

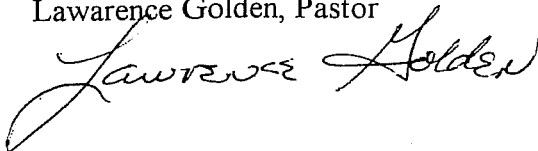

Question before the Board: The city of Wasilla is requesting that we (WLCN) annex into the city limits. The new Fred Meyer store has agreed to install water and sewer lines along the road to the creek. Also the city will not require us to hook up to them unless our sewer and water fail or cause an environmental problem. The city has stated that this will be a no cost annexation.

Donna moved and Patti second to annex the Church property into the city limits of Wasilla Alaska provided it will be at no cost; Motion passed.

Dear Mr. Krug:

In response to your request, the Department of Transportation & Public Facilities (DOT&PF) has no objection to the annexation currently being proposed by the City of Wasilla. The property involved is owned in fee by DOT&PF. It consists of approximately 32 acres adjacent to the Wasilla Airport; legally described as Matanuska Susitna Borough, Tax ID No. 17N01W18B009.

Please contact David Heier our Property Management Supervisor or myself at 269-0677 if you have any further concerns or questions.

Dear Tim:

As you know, we own approximately 60 acres located on the northeast end of the Wasilla Airport (Township 17N Range 1W Sec.7 Lot C3 and Township 17N Range 1W Sec 18 Lot B4).

We are aware that the City is in the process of creating an Airport Master Plan and would be interested in participating with the City to include our property in the plan.

An application for annexation was submitted on March 29, 1998. At that time, our intention was to zone the area north of Lucille Creek as industrial use and south of the creek as rural residential. However, if the development potential to our property and the City of Wasilla could be enhanced by a different zoning strategy we would consider other options to accomplish that goal.

Please contact us at 746-7350 to further discuss this.

Sincerely,

Mark and Stacie Stigar

Museum of Alaska Transportation & Industry
Minutes of Special Board Meeting
Wednesday, August 16, 2000

Board Members Present: Gene Heath, George Chapman, Phil Lockwood, Tim Krug, Marilyn McGuire, Jim Messick

Staff Present: Bea Adler

Guests: Erling Nelson

The meeting was called to order at 7 pm by President Jim Messick. There was no written agenda. At the August 6 regular board meeting, the board passed a motion to enter into negotiations with Kurt Newcomb regarding purchase of the five acres adjacent to the museum. This special meeting was called to hear the result of those negotiations.

Fawn Newby reported she, Phil Lockwood and Erling Nelson met with Kurt. Fawn declared that she is a licensed real estate broker and was not acting in that capacity, but solely as a MATI board member. The asking price was \$45,000. Kurt is willing to accept \$42,000 plus life memberships for five of his family members. He owns the land with no encumbrances. Fawn did research into recent land sales and found that \$37,000 to \$44,000 was the going price for five acre parcels. This parcel is actually 7.84 acres but 2.20 is in the railroad right of way. It is the only land available adjoining MATI. This would be a cash sale paid for with funds the board had earmarked for construction of an exhibit building. There was lengthy discussion about possible income potential of the land, if it could be sold at a later date, leased out, or used for museum expansion. Possible negative publicity was also discussed. It was suggested to put out a press release to forestall rumors. It would state the land was purchased specifically for revenue enhancement and offer it for lease.

Fawn made the motion to **purchase the five acres adjacent to the museum from Kurt Newcomb for the agreed on price of \$42,000 cash plus life memberships in MATI for five of his family members.** Motion seconded by Phil. The motion passed with Phil and Tim voting against.

Phil asked what part buying the land would play in the museum's long or short range plans. He observed the board is following the pattern of management by crisis and that after September, the museum's level of staffing is unknown. There needs to be a plan. John Stein is willing to assist the board in another planning session. Bea was asked to contact John Stein to set it up. There was discussion about board members who would like to resign and that replacements should be found and brought on the board as soon as possible. They would bring new energy and ideas. Bea informed the board the museum has been awarded a Grant in Aid from the Alaska State Museum to do a MAP I (Museum Assessment Program) survey. There will be a questionnaire about the board, staff, policies and facilities. Then someone with experience in museums like MATI will come here to discuss what is needed to help the

board make plans in accordance with museum standards and ease the transition to the museum being mostly volunteer run.

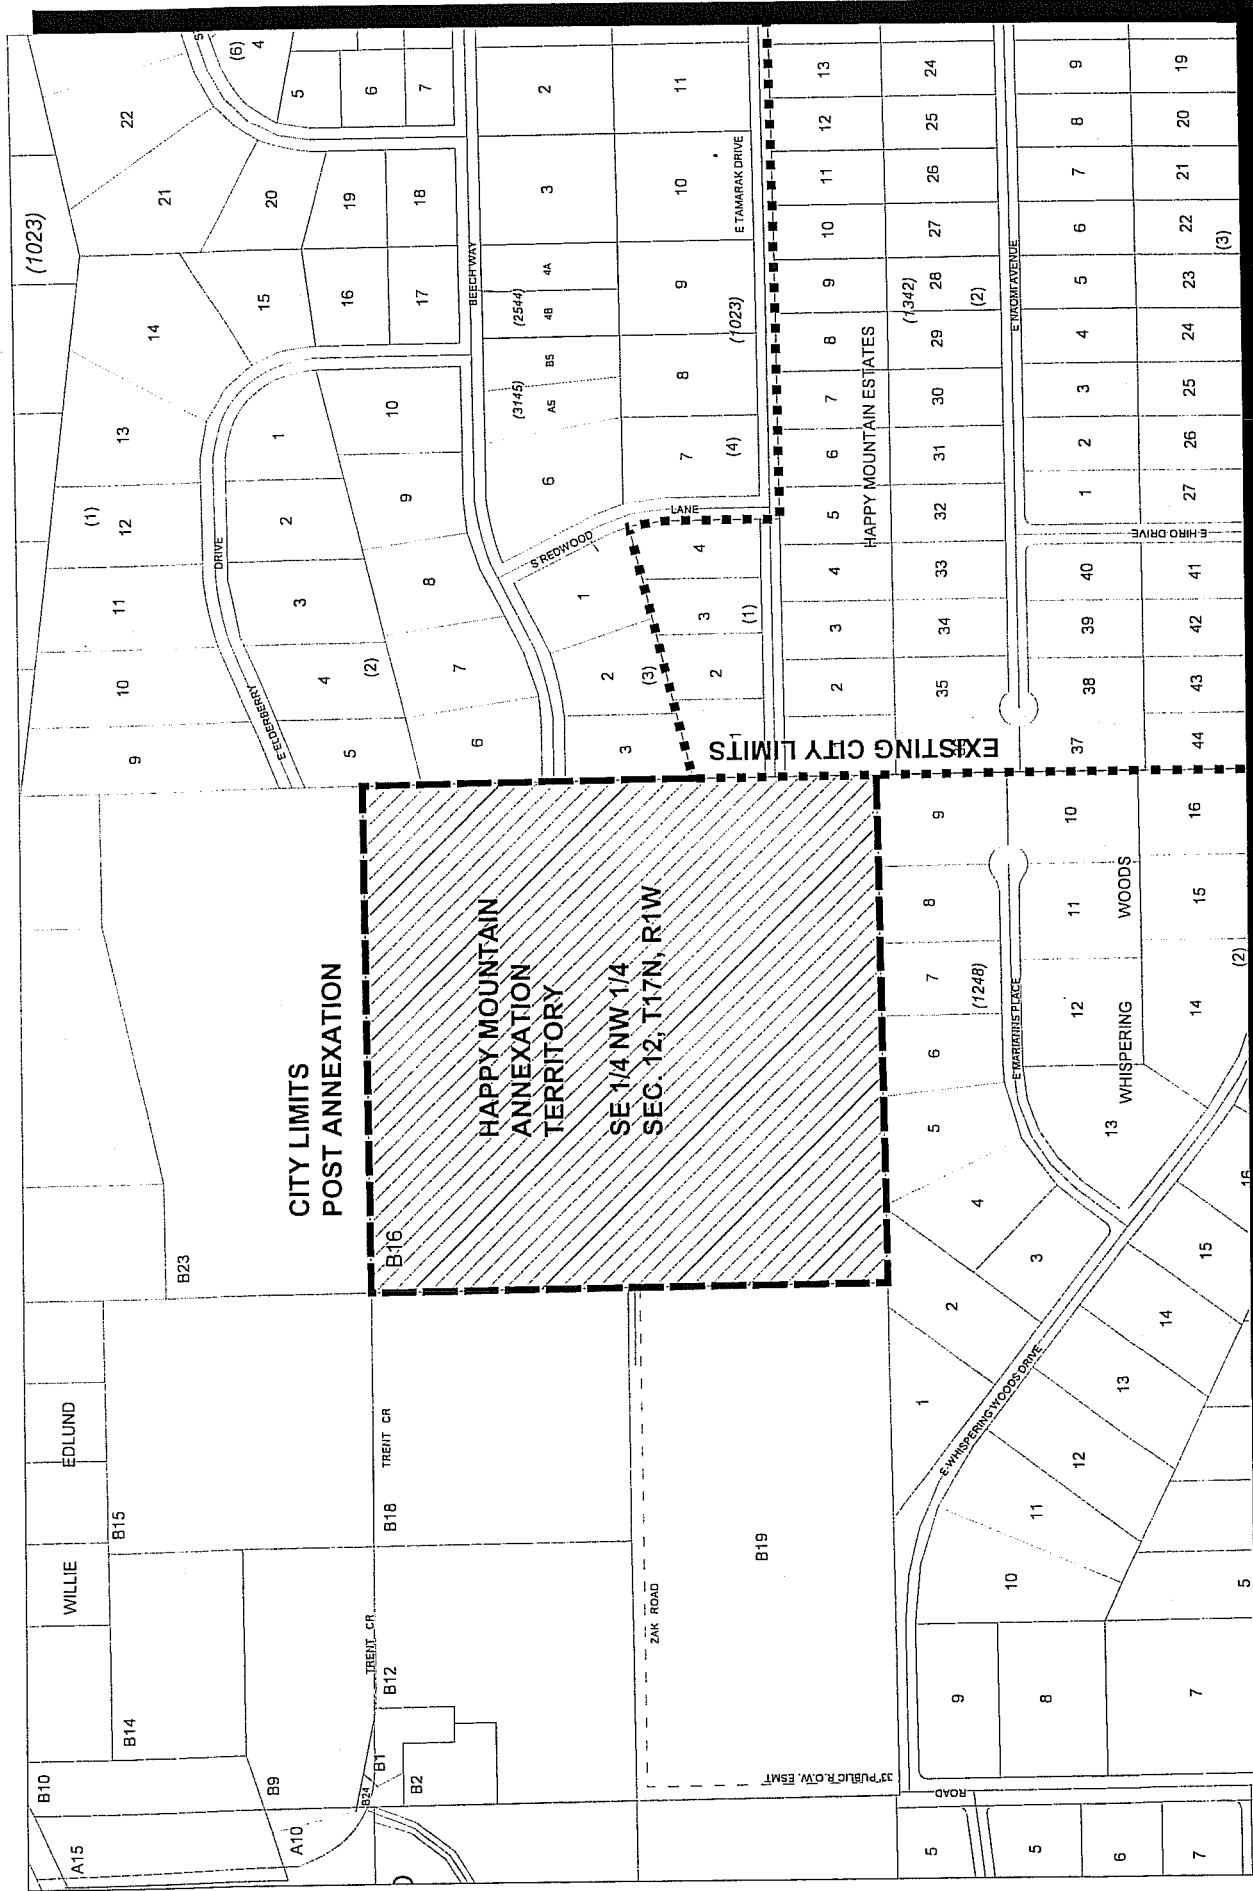

President Jim Messick left, turning the chair over to Vice-President Phil Lockwood.

Marilyn asked if the new property should be included in the City limits as is the rest of the museum's land. Tim advised he is preparing a packet of annexations to go to the City Council. He also suggested he might abstain from this vote, but the rest of the board saw no problem with his voting. Marilyn made the motion to **request the museum's new property be annexed into the City of Wasilla and that its zoning be designated as commercial.** Motion seconded by Gene. MCU.

Bea asked the board if they would consider the question of her accrued leave. She distributed a written request with details and explained that staff had objected to her using leave at 40 hours per week when she went on vacation. The personnel policy was discussed. Phil asked if it was necessary for a performance evaluation since Bea was leaving. Bea suggested an exit interview might be appropriate. Fawn made the motion that **the board do an exit interview with Bea and forgo the evaluation.** Motion seconded by Tim. MCU. Tim then made the motion to **approve Bea's cashing out the entire balance of her accrued leave.** Motion seconded by Fawn. MCU.

Phil suggested a press release to forestall rumors about the MAP assessment and the timing of Bea's leaving. It could say that due to budget restraints, the museum's position of executive director was being eliminated and that Bea was leaving to seek other opportunities. It was agreed it might not be good publicity for the museum.

The meeting was adjourned at 9 pm.

EXHIBIT E TRANSITION PLAN

The following provides a detailed plan for the transition to city government for the area proposed for annexation. The transition plan was developed in consultation with appropriate officials of the Borough. The transition plan:

- (a) Provides a schedule for the extension of city services in the area proposed for annexation;
- (b) Demonstrates the manner in which the City will assume all relevant and appropriate powers, duties, rights, and functions presently exercised by the Borough in the territory proposed for annexation;
- (c) Demonstrates the manner in which the City will assume and integrate all relevant and appropriate assets and liabilities of the Borough relating to the territory proposed for annexation.

As it relates to (b) and (c), the transition plan is designed to create an orderly, efficient, and economic transfer of all relevant and appropriate powers, duties, rights, functions, assets and liabilities of the Borough within the shortest practicable time, not to exceed two years after the effective date of annexation.

TRANSITION PLAN

Wasilla Municipal Code 16.08.140 requires that all territory, which may be annexed in the city, shall be placed in the appropriate zoning district based on the recommendation of the City Planning Commission. This recommendation is based on current land uses, proposed land uses and the 1996 Comprehensive Plan.

Wasilla Planning Commission Resolution No. 00-29 adopted October 24, 2000 recommended to the City Council that certain lands be annexed and that these territories have the following zoning designations:

C- Commercial:

Carefree Acres Subdivision- Lot 1A-1, Lot 1C-1, Lot 1D, Lot 2A-1, Lot 6A and Lot 7A, Plat No.'s 84-265 and 92-102 PRD

Waiver Hill Subdivision- Lot 1, Lot 2 and Tract A, Plat No. 86-067 PRD

Olson Subdivision Extension - Lot 6 and Lot 8, Plat No. 60-23 PRD

Olson Subdivision Extension - Lot 7A, Lot 9 and Lot 10, Plat No. 62-9 PRD

Lakebrook Subdivision- Lot 1-2, Lot 2-2, Lot 3-A, Lot 3-1, Lot 4-1, Lot 5-1, Lot 6-2 and Lot 7-1, Plat No. 89-013 PRD

Matanuska-Susitna Borough (MSB) Tax Parcels- 17N01W11D011, 17N01W11D012, 17N01W12A013

I- Industrial:

Matanuska-Susitna Borough (MSB) Tax Parcels- 17N01W7C003, 17N01W18B009, that portion of 17N01W18B004 lying north of Lucille Creek

RR- Rural Residential:

Silverleaf Estates Subdivision Phase 2- Lot 8 Block One, Tract A3, Tract A4, Tract A5, and Tract A6, Plat No. 2000-136 PRD

Matanuska-Susitna Borough (MSB) Tax Parcels- 17N01W12B016 and that portion of 17N01W18B004 lying south of Lucille Creek

The lands designated as Commercial are adjacent to existing property that is currently designated as Commercial. These parcels are situated along major arterial highways and or the railroad and are well suited for this use.

The land designated as industrial is situated adjacent to existing property that is currently designated as industrial. These parcels are situated along Wasilla Airport and are well suited for this designation.

The lands designated as Rural Residential are adjacent to existing property that is currently designated as residential. These parcels are situated adjacent to residential neighborhoods and are well suited for this use.

Presently there are no plans to extend the city water and sewer mains to the property proposed for annexation. Existing water and sewer lines are within a close proximity to the Commercial territories and are sized adequately to handle the increased loads from the territory being annexed. The sewer plant treats an average of 166,000 gallons of effluent per day and has an estimated capacity of 400,000 gallons per day. Current permit is for 200,000 gallons per day. The city realizes the sewer treatment plant will need significant improvements in the near future however is sufficient to handle the expected loads from future development. The city water system consists of four water wells and two water tanks with about 2.3 million gallons of storage capacity. The need for a new water well and storage facility on the eastern side of city in the near future has been identified. The city is confident the present system can adequately supply enough water to meet the demands of this development. Any future commercial developments within the annexed territory will significantly contribute to the city revenues providing a source of sales and property taxes to help fund the needed improvements to the water and sewer infrastructure.

Presently the borough does not provide any direct services to these parcels. The parcels are mostly uninhabited and therefore little or no human services or educational services are required.

The parcels in these annexation territories are situated within the Wasilla Lakes Fire Service Area. The post annexation boundaries will not change these responsibilities. The existing response infrastructure is adequate to deal with the additional commercial activities planned for the site.

The road maintenance will change from the Matanuska-Susitna Borough's Bogard Road Service Area and Meadow Lakes Road Service Areas to the City of Wasilla. The city currently maintains Beacon Street and Neuser Drive because these roads provide access to the airport. The amount of additional road surface being acquired is minimal compared with the total length of roads presently maintained by the city.

The Alaska Department of Transportation and Public Facilities maintains both the Parks Highway and the Palmer Wasilla Highway through the city. Both of these highways have recently been upgraded. Additional future improvements are planned in the near future to further enhance these highways. This may involve the installation of additional traffic signals and the widening of turning lanes along the Parks Highway and the Palmer Wasilla Highway.

Surface water drainage is a continuing problem in the City of Wasilla. Presently surface water is collected under the Parks Highway and discharged into Lake Lucille and Wasilla Lake. The ADOT & PF plans include upgrading these facilities to meet current environmental discharge regulations. Any commercial site development will be required to meet all state and federal storm water discharge regulations. There is adequate surface area on site to treat the storm water prior to discharge. This would eliminate the need for any new city provided storm water treatment facilities.

Tim Krug, City Planner and Helen Kaye, Planning Clerk of the City of Wasilla Planning Department and Sandra Garley of Matanuska Susitna Borough Planning Department contributed to this transition plan.

**EXHIBIT F
FEDERAL VOTING RIGHTS ACT INFORMATION**

Information relevant to the federal Voting Rights Act, which is applicable to any annexation, is provided below to the extent it is reasonably available. This includes, but is not necessarily limited to the following:

Response:

All areas proposed for annexation are presently nearly uninhabited therefore none of the above are applicable to this annexation proposal.

EXHIBIT G PETITIONER'S BRIEF

This exhibit provides a written statement fully explaining how the proposed annexation satisfies the standards set out in AS 29.06.040(a), 3 AAC 110.090 - 3 AAC 110.130, 3 AAC 110.150(2), and 3 AAC 110.910.

Specifically:

Section 1 demonstrates that all voters and property owners of the territory proposed for annexation signed a petition requesting annexation of the territory to the city. Describe circumstances relating to the development and submission of the petition to the City from such voters and property owners and provide a copy of the petition to the City from such voters and property owners.

Response 1) The territories being annexed voluntarily initiated the request to become a part the city because of the additional desirable services the city has to offer.

Section 2 demonstrates that the territory proposed for annexation exhibits a reasonable need for city government as required by 3 AAC 110.090(a).

Response 2) Each of the territories requesting to become part of the City of Wasilla has a need for the additional services which include planning and zoning, police protection, water and sewer, street maintenance, library and fire protection.

Section 3 demonstrates that the City is capable of providing "essential city services" (as defined by 3 AAC 110.990(8)) more efficiently and more effectively to the territory proposed for annexation than another existing city or organized borough as required by 3 AAC 110.090(b).

Response 3) The City has the existing infrastructure in place to provide the essential city services to these annexation properties immediately. Future commercial developments requiring city water and sewer can be served by minor extensions to existing lines without the need for substantial upgrades to plant and equipment. The City of Wasilla has a planning department and planning commission that administers the Wasilla Development Code (WDC). This provides an additional level of planning within the corporate limits that the borough or state does not provide.

Section 4 demonstrates that the territory proposed for annexation is compatible in character with the area inside the current boundaries of the City as required by 3 AAC 110.100.

Response 4) Predominate land uses adjacent to the annexation territories is identical in nature and fully compatible with existing city zoning requirements. The City has adopted the necessary resolutions and ordinances to include these territories into compatible land use designations once the annexation process is complete.

Section 5 demonstrates that the area within the proposed post-annexation boundaries of the City (i.e., the territory proposed for annexation and the area within the existing boundaries of the City) includes the human and financial resources needed to provide essential city services on an efficient, cost-effective level as required by 3 AAC 110.110.

Response 5) The existing commercial and industrial developments within the annexation territory will generate additional tax revenues for the city without increasing the level services presently being provided. The undeveloped residential areas will provide lands needed for housing developments for future residents. All territories will generate visitors to Wasilla who will buy goods and services from local merchants thus increasing sale tax revenues for the city.

Section 6 demonstrates that the population within the proposed post-annexation boundaries of the City is sufficiently large and stable to support the extension of city government as required by 3 AAC 110.120.

Response 6) These annexation territories will not directly increase the population however current businesses and future developments will provide jobs for the community and expand the level of retail and institutional services currently available in the valley.

Section 7 demonstrates that the proposed post-annexation boundaries of the City encompass all land and water necessary to provide the full development of essential city services on an efficient, cost-effective level as required by 3 AAC 110.130(a).

Response 7) The territories being annexed are sufficient in size to allow existing and future developments to occur in a orderly manner according to the City of Wasilla Comprehensive Plan.

Section 8 demonstrates that the territory proposed for annexation is contiguous to the City's present corporate boundaries as required by AS 29.06.040(c)(3) and presumed by 3 AAC 110.130(b).

Response 8) The territories being annexed border the city existing boundaries and the inclusion of these properties will not create any isolated

geographical islands or doughnut holes of differing jurisdictions within the city limits.

Section 9 demonstrates that the proposed post-annexation boundaries of the City include only that area comprising the local community plus reasonably predictable growth, development, and public safety needs during the 10 years following the effective date of annexation as required by 3 AAC 110.130(c).

Response 9) These annexation territories will not immediately increase the city population however existing businesses and future developments will provide jobs for the community and expand the level of retail and institutional services currently available in the valley. Additionally undeveloped lands included within the annexation territories will provide needed areas for future residential neighborhoods within the city.

Section 10 demonstrates that, as required by 3 AAC 110.130(d), the proposed post-annexation boundaries of the City exclude entire geographical regions or large unpopulated areas, except where justified by the application of the city annexation standards in 3 AAC 110.090 - 3 AAC 110.130.

Response 10) The seven annexation territories are comprised of small geographical areas whose owners voluntarily requested to become part of city because of the expanded services that would be available to them.

Section 11 demonstrates that the territory proposed for annexation does not overlap the boundaries of any other city. Alternatively, the brief also addresses that circumstance as required by 3 AAC 110.130(e).

Response 11) each of the territories being annexed is situated contiguous to the existing corporate limits and does not overlap with any corporate jurisdiction.

Section 12 demonstrates that the proposed annexation to the City will not deny any person the enjoyment of any civil or political right, including voting rights, because of race, color, creed, sex, or national origin in accordance with 3 AAC 110.910.

Response 12) The annexation of this territory will likely increase the diversity of the local population and attract people from neighboring communities to the City of Wasilla. No person will be denied the enjoyment of any civil or political right because of race, color, creed or national origin.

Section 13 shows that the City demonstrates in its transition plan:

- A. Its intent and capability to extend essential city services [as defined by 3 AAC 110.990(a)(8)] into the territory proposed for annexation in the shortest practical time following annexation (not to exceed two years).
- B. The manner in which the City will assume all relevant and appropriate powers, duties, rights, and functions presently exercised by any existing entity within the territory proposed for annexation.
- C. The manner in which the City will assume and integrate all relevant and appropriate assets and liabilities of existing entities providing services to the territory that will be assumed by the City. Such assumption and integration must occur without loss of value in assets, loss of credit reputation, or a reduced bond rating for liabilities.
- D. The manner in which all taxes will be implemented.
- E. That the plan was prepared in consultation with entities currently responsible for or otherwise providing those services to the territory that will be assumed by the City.

Response 13a) The City of Wasilla has the financial capabilities and infrastructure in place to provide essential services to the annexed territories. The City is fully committed to provide many of these services immediately. None of the territories being annexed have expressed a desire to connect to the cities water and sewer system. If future development plans require these utilities the city has the financial ability to provide these services within two years assuming the developers are willing to participate.

Response 13b) The City of Wasilla will govern these territories in the same manner as the other lands within its jurisdiction.

Response 13c) The City of Wasilla has the financial capabilities to fully integrate these annexation territories without reducing their bond rating or lowering their existing credit rating. Other recent annexations where commercial developments have occurred have substantially increased the cities tax revenues.

Response 13d) Sales and property taxes within the annexed territories will be implemented no differently than any other property already within the city limits.

Response 13e) this petition was prepared with the cooperation and input of the Matanuska-Susitna Borough.

Section 14 demonstrates that the proposed annexation is in the best interests of the State of Alaska.

Response 14) This annexation is truly in the best interest of the State of Alaska because incorporating these territories within the City of Wasilla will allow for planned developments to occur thus protecting surrounding properties and enhancing the quality of life within our state.

**EXHIBIT H
AUTHORIZATION**

Attached is City of Wasilla Ordinance Serial No. 01-13, adopted by the Wasilla City Council on April 9, 2001.

CITY OF WASILLA
