SUBJECT: Ordinance Serial No. 02-05

SUMMARY: To revise the FY02 Budget by appropriating \$70,000 from the Vehicle Fund's fund balance to the Vehicle Fund for the purchase of a 1997 Champion Motor Grader for maintenance of city streets

The existing city motor grader is a 1984 model that is really too large and because of its age too slow and unreliable for winter maintenance. However, it can still be used for summer work such as gravel road grading and pulling ditches. The proposed grader is more maneuverable and faster for snow removal and ice ripping and therefore more productive for this use.

FISCAL IMPACT: YES Amount requested: \$70,000
