SUBJECT: Ordinance Serial Number 02-55

SUMMARY: Public Works has received one loan offer in the amount of \$50,000 from the Alaska Clean Water Fund for Sewer Engineering, and we are expecting to receive a second loan offer within the next few weeks in the amount of \$50,000 from the Alaska Drinking Water Fund for Water Engineering. These funds will be used to design and inspect water and sewer mains for South Mack Drive.

Public Works currently has approximately \$300,000 in sewer loan funding that is not needed for Lucille Street or the Palmer-Wasilla Highway Extension. This funding is not eligible for other projects, but it has been bonded and is considered available debt capacity for other projects. Therefore, the new loans will not impact the utilities current approved debt capacity.

FISCAL IMPACT: \$100,000 32-55-691-865-35

RECOMMENDED ACTION: Council is requested to approve Ordinance Serial NO. 02-55 that appropriates \$100,000 for South Mack Drive Water and Sewer Main Extensions Engineering Services.
