**SUMMARY:**

The Police Department's server was slated to be replaced in Fiscal Year 2004. Based on updating programs that the Police Department uses to write reports, Tekmate (City or Wasilla's IT contractor) has recommended that we actually replace the server in this Fiscal Year. The police server has a 266 mhz processor and runs on NT 4.0 server operating system, which both the server processor and operating system is not compatible with the upgrade for the Filemaker Pro Server Edition (report writing program).

**FISCAL IMPACT:** If yes, amount requested: \$10,000  
Account No.: 26-51-416-850.00

**RECOMMENDED ACTION:** Adopt Ordinance Serial No. 02-74
