SUMMARY STATEMENT: The Wasilla Police Department will provide increased patrols to reduce erratic driving with emphasis on traffic violations during the Holiday season. This is in participation with the State of Alaska Highway Safety Office DUI Holiday Enforcement program to help keep the communities safe during the holiday. The State of Alaska Highway Safety Office has already started the campaign ads on TV and in all the local newspapers to help make the communities aware of the increase patrol during our holiday season.

The State of Alaska Highway Safety Office was late in notifying the City of Wasilla Police Department about being able to participate in this program due to the short staffing in their office. They did apologize and stated that they hope in the future this will be handled in a timely manner with the new staff. Their goal is to have the surrounding Community Police Departments participation in the program to help keep the communities safe during the holidays.
