**SUMMARY STATEMENT:** This ordinance appropriates \$18,000 from the sewer construction fund for water utility storage yard improvements. Specifically, the funds will be used to expand the existing storage yard at the Richmond Hills Booster Station by installing additional security fencing. The sewer storage building has been completed with only minor work remaining which is the source of funding for this appropriation. This appropriation will leave approximately \$5,788 to complete the sewer storage building.

**RECOMMENDED ACTION:** To adopt Ordinance Serial No. 07-47 that amends the FY08 budget by appropriating \$18,000 from the sewer construction fund for water utility storage yard improvements.
