RESOLUTION NO. WR95-26

A RESOLUTION OF THE WASILLA CITY COUNCIL REQUESTING A BOROUGH-WIDE ADVISORY VOTE ON THE LOCATION OF THE PROPOSED MAT-SU SCHOOL DISTRICT ADMINISTRATION BUILDING

WHEREAS, the Mat-Su School District demonstrated a need to provide improved office space for the school district administration; and

WHEREAS, the necessary quantity and quality of space is apparently not available at this time; and

WHEREAS, it appears that construction of a new building to meet the needs of the district is appropriate and justified; and

WHEREAS, there are various means to provide construction funding for the project including city municipal revenue bonds, borough general obligation bonds and private developer construction-lease arrangements; and

WHEREAS, previous plans and proposals to build have come to such political and jurisdictional contention over the building's location that the project has failed to move forward.

NOW THEREFORE BE IT RESOLVED by the Wasilla City Council that the Mat-Su Borough Assembly is respectfully requested to place on the fall 1995 borough-wide election ballot an advisory question as to where the proposed new school district administration building should be located.

I certify that a resolution in substantially the above form was passed by a majority of those voting at a duly called and conducted meeting of the governing body of the City of Wasilla this 26th day of June, 1995.
