**SUBJECT: Resolution Serial No. 02-27**

---

**SUMMARY:** The administration is currently advertising to bid the South Mack Drive Pioneer Road for construction this fall. This project will construct a gravel road to the Multi-Use Sports Complex site along the alignment for a future Mack Road connection. The engineer's estimate for the pioneer gravel road is \$295,000.

The administration budgeted \$100,000 in the FY-03 capital improvement program for planning along South Mack Drive in anticipation of a State Office Building being constructed adjacent to the Multi-Use Sports Complex. The State is no longer working with the administration on this project. The administration is proposing that the planning funding for the office building be used to construct the pioneer road.

FISCAL IMPACT: \$100,000 11-55-475-831-07 Public Facilities Engineering

**RECOMMENDED ACTION:** Council is requested to approve Resolution Serial NO. 02-27 that appropriates \$100,000 for South Mack Drive Pioneer Road Construction.
