**CITY OF WASILLA
RESOLUTION SERIAL NO. 02-33**

A RESOLUTION OF THE CITY OF WASILLA TRANSFERRING FUNDS WITHIN AN ACCOUNTING FUND AND EXTENDING THE PARKS AND PROPERTY TECHNICIAN I POSITION 804-2 FROM SEASONAL FULL-TIME TO REGULAR FULL-TIME.

WHEREAS, the Parks and Property Technician I, Position 804-2 is currently a seasonal (nine month) full-time position where the incumbent is laid off in the winter season.

WHEREAS, the workload is increasing and this position is needed to support several activities during the winter months. The activities include ice rink maintenance, snow removal from walkways and bike paths, hanging winter banners and Christmas lights, and performing building maintenance including painting, changing lights, fixing toilets and sinks and other related maintenance.

WHEREAS, this position is particularly effective because the incumbent oversees the work of inmates from the Point McKenzie Rehabilitation Project. And over the past two years, this program has provided thousand of dollars worth of work to the citizens of the City of Wasilla. By extending the program year-round, the city can realize even greater savings.

NOW THEREFORE BE IT RESOLVED by the Wasilla City Council that the Parks and Property Technician I Position 804-2 be upgraded from seasonal full-time (nine months) to regular full-time (12 months) status.

BE IT FURTHER RESOLVED that the sources and uses of funding are as follows:

Sources:

Property Contractual Services
