SUMMARY STATEMENT:

This grant funds the WPD Investigator for the Child Abuse Investigative Unit position which is a joint WPD/AST Investigative unit. This position was previously funded with Byrne grant funds. The grant has been adopted by the State Council on Domestic Violence and Sex Assault and funded with federal Violence Against Women funding. This is the third year the unit will have been in existence and has proven to be a successful model of a community endeavor to intervene in child abuse and child sex abuse.
