**CITY OF WASILLA
RESOLUTION SERIAL NO. 05-32 (SUB1)**

**A RESOLUTION OF THE WASILLA CITY COUNCIL SUPPORTING ALL-ALASKAN
NATURAL GASLINE DEVELOPMENT.**

WHEREAS, Alaska resources, including the vast oil and gas reserves on the North Slope, are owned by the people of Alaska, and Alaska's constitution mandates that they be developed for the maximum benefit of Alaska's people; and

WHEREAS, an All-Alaska Gasline needs to address providing natural gas to all areas of Alaska; and

WHEREAS, Southcentral Alaska's gas supplies are declining, which will result in continued drastically increased prices to consumers and businesses; and

WHEREAS, Fairbanks and rural Alaska residents are paying higher and higher prices for diesel fuel and would benefit from access to natural gas; and

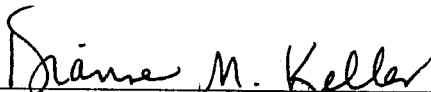

WHEREAS, several Alaskan municipalities have joined together to form the Alaska Gas line Port Authority (AGPA) to build an all-Alaskan Gasline to actually develop the gas reserves on the North Slope, rather than continue on with years of further delay; and

WHEREAS, the Alaska Natural Gas Development Authority (ANGDA) is prepared to build a spur line to connect Southcentral Alaska to a main Gasline.

NOW THEREFORE, BE IT RESOLVED, that the Wasilla City Council finds that an All Alaskan Gasline would provide superior benefits to Alaska's citizens in the form of employment, revenues to municipal and state government, potential for value added processing within Alaska, and a faster development timeline than competing projects facing an uncertain regulatory process in a foreign country.

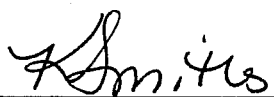

BE IT FURTHER RESOLVED, that the Wasilla City Council supports construction of an Alaskan Gasline with a firm commitment to build the line and market our gas under a set timetable. A supply of gas for consumer needs and economic development in Southcentral Alaska must be secured and assured. Any agreement to build the Gasline must also serve the best economic interests of Alaskans as guaranteed under the state constitution.

ADOPTED by the Wasilla City Council on September 26, 2005.

DIANNE M. KELLER, Mayor
