Adrian, Mark,

Thank you for the notice of a public hearing on Nov. 14 regarding the subject restaurant. I'm unable to attend but have this to say:

I live at 9018 Keith Ave., just up the street from the proposed restaurant. Why must you allow service until 1:00 am? And on an outside patio? Other restaurants are not open that late; what makes this one different? This is a residential neighborhood. Surrounding businesses in the immediate area are closed all evening, with the exception of the Troubadour, which, incidentally, I never hear at night. We enjoy a quiet setting that will be destroyed if noise emanates from the restaurant until 1:00 am.

I oppose your proposal to allow service until 1:00 am. Thank you for your consideration.
